

APRIL 2024 | @BOROUGH HALL |

MESSAGE FROM MAYOR & COUNCIL

We are delighted to share some exciting news with you all. After much anticipation, we have successfully moved into our new Borough Hall, and it is with great pleasure that I extend an invitation to each and every one of you to come and enjoy the splendid facilities that our new community hub has to offer.

The new Borough Hall stands as a testament to our commitment to providing the best services and amenities to our residents. It's not just a building; it's a symbol of progress, community, and shared aspirations. We encourage you to explore the new space, engage with our local government, and make the most of the resources available to enhance your borough experience.

As we settle into our new home, we are thrilled to announce the commencement of the Mayor's Wellness Program in April. This program, focusing on both physical and mental well-being, has seen remarkable success over the past several years with record turnouts. We invite you to join us in promoting a healthier and happier community by participating in the various wellness activities we have planned throughout the month.

Moving on to May, we will be hosting our annual Memorial Day Parade. This solemn event provides us with the opportunity to honor and pay tribute to the brave individuals who have served our nation, making the ultimate sacrifice. It's a time for reflection, gratitude, and unity as we come together to remember and appreciate the heroes who have shaped our community and our country.

Looking ahead to June, mark your calendars for our much-anticipated annual Family Fun Day at Memorial Park. This event is a celebration of community spirit, offering a day filled with laughter, joy, and various activities for families to enjoy. It's an excellent opportunity for neighbors to come together, fostering stronger bonds and creating lasting memories.

To stay informed about these events and many more, we encourage you to follow our social media accounts and regularly check our website for updates. Your engagement is crucial to the success of our community initiatives, and we value your participation in making [Borough Name] an even better place to live, work, and thrive.

Thank you for being an integral part of our community, and we look forward to creating wonderful memories with you in our new Borough Hall and throughout the upcoming events.

★ MEMORIAL DAY ★

BERGENFIELD MEMORIAL PARADE
MAY 27, 2024

We Honor our Veterans and Military at Home and Abroad

TO: All Bergenfield and Neighboring Organizations,

In honor of our Veterans and Military at Home and Abroad, the Mayor and Council extend a heartfelt invitation to all organizations in Bergenfield and neighboring areas, to participate in the Memorial Day Parade to be held on Monday, May 27, 2024, "Regardless of the Weather Conditions".

The morning ceremony will be held at 11:30AM at Cooper's Pond. All organizations participating in the parade will be assembling at Cooper's Pond at 12:00PM. The parade will start at 12:30PM from Cooper's Pond on West Church Street, The parade will travel to Prospect Ave, and turn left onto Prospect Ave and proceed south on Prospect Ave to New Bridge Road and turn left on New Bridge Road to Veterans Memorial Park.

With military, civic patriotic, fraternal, religious, youth, social, schools, businesses and service organizations in the line of march-interspersed with floats and six to eight marching bands. Our Annual Memorial Day Parade has become one of the best in the county.

General John A. Hogan, Commander-In-Chief of the veteran's group, the Grand Army of the Republic, made a formal proclamation designating May 30, 1868 as a day of remembrance of the nation's war dead. The holiday was originally intended to honor those who died fighting in the Civil War, but unfortunately, that that was not the last conflict that American soldiers lost their lives in after World War I, the holiday's purpose was expanded to include all Americans who died fighting in any war. Memorial Day is a day remembering "those who gave their last full measure of devotion" and to recognize all our veterans who fought globally and "saved the world".

We cordially invite you to participate in the patriotic event and become part of this tribute to our military. Please complete the entry form below and return this letter to the attention of the Office of the Borough Clerk, Attn: AJ Stewart. Deadline to Attend this event is May 17, 2024. Entry forms will not be accepted after May 17, 2024.

Sincerely,
Arvin Amatortio, Mayor
Marc Pascual, Councilman
Warren Williams, Veterans Committee Chairman

What to Do During a Power Outage
Find out how to stay safe after you report a power outage. Checking the cause of your power outage: Your power may be out due to a utility issue or because of a problem inside of your home. To check if the problem is in your home, locate your fuse box or circuit breaker box. If the surrounding area is clear of water, proceed to the box and ensure that none of your circuit breakers have tripped (indicated by the switch being in the OFF position.) Don't forget to check your main breaker switch as well. Blown fuses may be indicated by broken wires or scorch marks, but not always. **If the problem doesn't appear to originate in your home, check to see if your neighbors have power. If not, report the outage immediately.**

CLOSING OUT YOUR CONSTRUCTION PERMITS

One of the most asked questions we get in the Building Department is, "who exactly is responsible to contact the Building Department to set up for a final inspection?"

Is it the Contractor or Property Owner?

The Property Owner has the sole responsibility to make sure all construction permits have been closed out. It is not the responsibility of the contractor. Do not assume your contractor has requested a final inspection.

This is why, if you look on the back of the **YELLOW CARD**, issued with your permit states; **FINAL INSPECTIONS ARE REQUIRED BEFORE FINAL PAYMENT IS MADE TO CONTRACTOR.**

Some of the most common construction permits that are not closed out are: Water heaters, furnaces, HVAC units, Steam Boilers, and Hot Water Boilers. These are most commonly related to emergency work.

Please Note: Even if your installation and permits were filed by companies such as, "Public Service", "Mr. Water Heater", "Home Depot", or a New Jersey Licensed Plumber, the ultimate responsibility is solely on the property owner to be sure that construction permits are closed out. Once your contractor is paid and leaves the job site, you are left holding the bag.

The Building Department has open permits dating back to 2021, those permits must be closed. If they are not, our new computer technology will **REDFLAG** open permits and automatically print out a letter to be mailed to the property owner. The letters, if ignored, can lead to **SUBSTANTIAL FINE**. Please make sure your permits were closed out. You can contact the Building Department if there are any doubts and request them to check for you. It's one simple phone call.

Another easy way, is to check for white signed Approval stickers on your newly installed water heaters, furnaces, HVAC units, Steam Boilers, or Hot Water Boilers. This is the easiest way to determine if your permit has been closed out.

Health Department

In New Jersey, it's mandatory that dog owners have their pets licensed. A license tag helps police, animal control and shelters quickly identify your dog or cat and get them back to you safely. Licensing your pet is important to control the spread of Rabies, it also ensures when a dog bite occurs and person is bitten, the town can quickly identify and immediately determine whether the animal is up to date on its Rabies vaccine. Fees from pet licensing are distributed to the statewide Animal population control program. The Bergenfield Health Department continues to License Dogs and Cats.

Applications are available on The Bergenfield Website.
