SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose.

The Borough is soliciting Qualification Statements from interested persons and/or firms for the provision of professional services and extraordinary unspecifiable services. Through a Request for Qualification process described herein, persons and/or firms interested in assisting the Borough with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The Borough will review Qualification Statements only from those firms that submit a Qualification Statement that includes all the information required to be included as described herein (in the sole judgment of the Borough). The Borough intends to qualify person(s) and/or firm(s) that (a) possesses the professional, financial and administrative capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the Borough to provide the greatest benefit to the taxpayers of the Borough. The Borough will consider Qualification Statements only from individuals, firms or organizations that have demonstrated the capability and willingness to provide high quality services as required by the Borough. All appointments shall be made in accordance with the provisions of N.J.S.A. 40A:60-5, Chapter 50 of the Code of the Borough of Bergenfield, and any other statutes or regulations that may apply.

1.2. Procurement Process and Schedule.

The selection of Qualified Respondents is not subject to the bidding provisions of the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. The selection is, however, subject to the “New Jersey Local Unit Pay-to-Play” Law, N.J.S.A. 19:44A-20.4 et seq. The Borough has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 5 of this RFQ, which will be applied in the same manner to each Qualification Statement received.

The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial criteria described in this RFQ. Under no circumstances will the RFQ for a particular position be reviewed by a person who has submitted a Qualification Statement for said position. Based upon the totality of the information contained in the Qualification Statement, including information about the reputation and experience of each Respondent, the Borough will (in its sole judgment) determine which Respondents are qualified (from professional, administrative and financial standpoints). Each Respondent that meets the requirements of the RFQ (in the sole judgment of the Borough) will be designated as a Qualified Respondent, and will be considered for selection by the Borough, in accordance with the provisions of N.J.S.A. 40A:60-5, Chapter 50 of the Bergenfield Code, and any other applicable statute or governing regulation.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Borough reserves the right, among other things, to amend, modify or alter the Procurement Schedule upon notice to all potential Respondents who have provided contact information to the Administrator upon receipt of this RFQ.

All communications concerning this RFQ or the RFQ process shall be directed to the Borough's designated contact person, in writing.

Designated Contact Person:
