NEW BUSINESS ASSIGNMENT:

49 Dudley Dr. (Q4) requesting tree removal because roots are getting into her sewer pipes. A letter was sent to inform the resident that the tree was placed on the list for removal.

51 Beverly Pl (Q2) – requesting tree removal, Tree limbs has caused damage to her car. A letter was sent to inform the resident that the tree is not a town tree.

401 Windsor Rd (Q4) – requesting tree removal because it's a big tree and she has kids. If removal is approved, it will be at Homeowners expense. A letter was sent to the resident giving her permission to take down the tree at her own expense. We will not remove it.

52 Regent St. Emely Dram. - (Q4) requesting tree removal damaging pipes. It was decided to place the tree for removal. A letter was sent to inform the resident of the decision.

411 S. Prospect requesting removal of tree due to roots lifting sidewalk. The tree and Stump were removed.

10 BELVIN CT (Q4) – requesting tree removal, she claims tree is dead. A letter was sent to inform the resident that her tree was placed on the list for removal.

87 E. Clinton Ave (Q3) – requesting 3 trees to be removed. Trees are blocking the House and hitting the electrical wires. On April 1, 2022, I received an email with pics showing the trees.

Joe

74 Highgate Terr (Q4) requesting tree removal – Tree located at the corner of Westminster Gate and Highgate. A letter was sent to inform the resident that the tree can be pruned and trimmed, it will not be removed.

**Borough of Bergenfield
Shade Tree Committee
June 6, 2022 Meeting Agenda**
