

JANUARY 2025 | @BOROUGH HALL |

## MESSAGE FROM MAYOR & COUNCIL

Happy New Year and welcome to 2025! I hope you and your loved ones had a joyful holiday season and are excited for the opportunities and challenges this new year will bring. As we begin this year, I want to take a moment to thank everyone in our community for your continued support and commitment to making Bergenfield such a wonderful place to live.

At our recent Borough Reorganization Meeting, we were pleased to swear in Councilmen Thomas Lodato and Hernando Rivera for new terms. Their dedication and service to Bergenfield will continue to make a positive impact as they work alongside our team to serve the needs of all residents.

As we move into January, we honor the life and legacy of Dr. Martin Luther King Jr. His vision of equality, justice, and community continues to inspire us all. Please note that Borough Hall will be closed on January 20th in observance of this important holiday.

In February, we celebrate Presidents Day, a time to reflect on the leadership and vision that has shaped our great nation. Borough Hall will also be closed on February 19th in recognition of this holiday.

March brings the return of the Bergen County Irish Annual St. Patrick's Day Parade down Washington Avenue. This wonderful event is a highlight of the season, and I encourage everyone to come out and enjoy the festivities with friends and neighbors.

Winter sports are in full swing, and I want to wish all of our athletes the best of luck as they compete. We're incredibly proud of our teams and their hard work! Spring sports will be kicking off soon, and I extend my support to all of our young athletes as they begin their practices and preparations for the season ahead.

I'm also excited to share that we are making great progress on the next phase of the Borough Hall Project. We're on track to complete the upgrades, including full parking and improved amenities, in the spring. We greatly appreciate your patience and understanding as we continue to make these necessary improvements to better serve our community.

Thank you for being a part of the vibrant and caring community that makes Bergenfield special. I look forward to all the accomplishments and memories that 2025 will bring.

Wishing you all a wonderful year ahead!

*Arvin Amatorio*

## Health Department News

*In New Jersey, it's mandatory that dog & cat owners have their pets licensed. A license tag helps police, animal control and shelters quickly identify your dog or cat and get them back to you safely. Licensing your pet is important to control the spread of Rabies, it also ensures when a dog bite occurs and person is bitten, the town can quickly identify and immediately determine whether the animal is up to date on its Rabies vaccine. Fees from pet licensing are distributed to the statewide Animal population control program.*

**All Dogs/Cats MUST be licensed by January 31, 2025. Please scan QR code on the left to access the online application. Please mail application with a copy of updated rabies vaccine & payment. Rabies vaccine MUST be valid through the entire licensing period.**

*Board of Health Meetings held via zoom on the 2nd Tuesday of the month .  
Please refer to the calender on the back of this bulletin for dates.*

### \*\* January 2025 Licensing\*\*

#### Reminders

- Dog & Cat Licensing*
- Cosmatology Licensing*
- Daycare Licensing*

All Daycares MUST be Licensed by January 31, 2025. Please mail application along with the fee and license for all employees at the daycare.

CHC & SAC immunization program for uninsured children every 2nd & 3rd Tuesday of the month. Contact the Health Dept, if you have any questions regarding any of the programs listed.

All Nail/ Hair Salons MUST be licensed by January 31, 2025. Please mail application , fee and licenses for all employees in the shop.

### Senior Bus Services

#### HANDICAPPED & ELDERLY TRANSPORTATION PROGRAM

- Providing residents with transportation to Doctors, Hospitals or Clinics in this area.
- Also provides a shopping route every Wednesday.
- Operation Days: Mon, Tues, Thurs, Fri
- Operation Hours: 9AM-1PM

Contact: DPW Dispatcher at 201-387-4055 x4088

# PSEG

Scan here for a report an outage, gas leak, or to see outage map.

## ATTENTION

### NO WIPES DOWN THE PIPES

Even if a product says its "flushable" unless it is toilet paper, it should not be flushed! Please avoid flushing wipes down the toilet to prevent backups into homes and businesses. These incidents are entirely avoidable, yet backups are occurring more frequently .

## Know your rights:

## Rent Leveling Board

The Rent Leveling Board hears and mediates landlord/tenant complaints primarily with respect to rent increases and makes recommendations to the Mayor and Council. This board also refers code violations to the appropriate Borough Office.

### Meetings

The Public meetings of the Rent Leveling Board of the Borough of Bergenfield, State of New Jersey will be held on the 1st Wednesday of every month at Borough Hall, Municipal Building, 198 N Washington, second (2nd) floor Conference Room, Bergenfield, NJ at 7:00 P.M. at which formal action may be taken.

For more information please contact Jaime Luppino (201) 387-4055 x4088

## Building Department

### How do to deal with basement water issues?

A common technique to remedy water moisture in a basement, is to remove the perimeter of the basement slab and install a perforated pipe embedded in crushed stone directed to a sump to facilitate the collection of groundwater. This is often referred to as a "French Drain,".

A "French drain" or "channel drain" is a pathway used to assist with water drainage which is installed in basements. This pathway consists of a gap (typically, one-half to one and one-half inch in width) between the basement block wall and the concrete floor slab around the entire inside perimeter of the basement.

Unlike exterior perimeter drains, there are no code requirements for the installation of a perimeter drain that is installed inside of the basement wall. This does not mean that it is prohibited as a construction technique in an existing building.

However, because there are no code requirements for the installation of a perimeter drain on the inside of the foundation wall, this work does not require any inspections during the progress of work, therefore no building permit is required.

Lastly, the installation of a sump-pump and discharge piping where there previously was none will always require a permit and is required to be installed by either a master plumber or the homeowner. The discharge water must drain onto your property, and not onto the street. Replacement pumps would not require a permit.

## CODE ENFORCEMENT

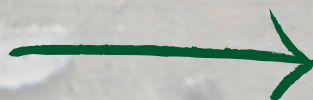

### IMPORTANT NOTICE FOR PROPERTY OWNERS WITH HOMES BUILT DURING OR BEFORE 1978

As of January 1, 2025, as mandated by the State of New Jersey. Bergenfield will begin Visual Lead Inspections for rental properties built before 1978. The best time to schedule is during your annual rental inspection.

Inspection fees:

- Borough Certified: \$100 (single unit), \$50 (additional units)
- NJ Division of Community Affairs: \$20 per unit
- 

For details and to schedule, visit the Bergenfield Borough website or contact the Building Department.

JANUARY 2025 | @BOROUGH HALL |

## Parks & Recreation

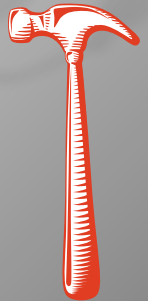

**The Bergenfield PAL fields have recently undergone significant improvements thanks to the proactive efforts of the Borough, with substantial upgrades that enhance the experience for athletes, families, and the community at large.**

**One of the most notable upgrades is the installation of new lighting, made possible by the Green Acres Grants sourced by the Borough. These grants are vital in making improvements to local recreational spaces without placing a financial burden on taxpayers. The upgraded lighting not only improves visibility for evening games and practices but also enhances safety, making the fields more accessible and enjoyable for everyone.**

**In addition to the lighting improvements, the fields have also seen a major cleanup effort aimed at revitalizing the facility. This includes the repair and refurbishment of dilapidated dugouts, the replacement of old fencing, and the clearing of overgrown vegetation that had become a safety hazard and eyesore. Volunteers from Roy Brown Middle School have played a crucial role in this initiative, dedicating their time to paint the dugouts and clubhouse, providing a fresh look to the facility.**

**These upgrades are a testament to the power of community collaboration and the Borough's commitment to providing quality recreational spaces without burdening local taxpayers. The improvements will help ensure that Bergenfield PAL fields remain a vibrant hub for sports, family activities, and community events for years to come.**

## Emergency Services Winter Safety Tips

### Bergenfield Police Department Safety Tips for Winter 2024

As we welcome the cold months of January, February, and March, the Bergenfield Police Department would like to remind all residents to stay safe and vigilant. The winter season brings its own set of safety concerns, from street parking restrictions to the risk of phone and online scams, as well as keeping your property secure during longer nights. Here are a few important safety tips for the upcoming months:

#### No Street Parking During Snowstorms

Winter storms are a common occurrence in Bergenfield, and the safety of our roads depends on keeping them clear for snow removal and emergency vehicles. No street parking is allowed during snowstorms as this can hinder plows and emergency responders from doing their jobs efficiently. If you park on the street, be sure to move your vehicle to a driveway or designated parking area when snow is expected. The Bergenfield Police Department will be monitoring street parking during snow events, and vehicles parked illegally may be ticketed or towed to ensure snowplows can do their work. Please stay tuned to local weather forecasts and parking alerts to avoid fines and to keep our streets safe for everyone.

#### Enhance Your Outdoor Lighting

As daylight hours decrease in the winter, the risk of property crimes like burglaries increases. A well-lit property is one of the best deterrents to criminal activity. **\*\*Outdoor lighting\*\*** can help keep your home secure and reduce the risk of theft or vandalism.

- Motion-activated lights are particularly effective, as they surprise potential intruders and alert you to activity around your home. Consider installing lights near entrances, walkways, driveways, and dark corners.
- Timers for indoor lights can give the appearance that someone is home, even when you're not. A few well-placed lights inside your home can make a big difference in deterring burglars.
- Keep your exterior well-lit even during the night. Lighting helps neighbors keep an eye on your property as well, which can make a significant difference in preventing criminal activity.

### DRYER FIRES

**Blockages in your dryer are caused by built-up lint, clothes themselves, animal homes, and many more flammable items. These objects can hold the heat and compress it, causing a fire. Luckily you can prevent devastating dryer fires caused by clogged vents.**

#### Dryer Fire Prevention Tips

**Keep the following tips in mind when using dryer machines to help prevent fires.**

- **Clothes that no longer feel dry to the touch after a normal dry cycle are a telltale sign that something's wrong. Before doing the next load, check for a plugged vent and clean out any lint.**
- **No matter where your laundry room is located, place a smoke detector on the ceiling above the dryer. I have a 10-year-rated smoke detector above my dryer, and if it sounds, all the smoke detectors in the house also sound.**
- **Never leave your dryer running when you leave the house. Many serious fires occur, and many pets die because of dryer fires.**
- **Never leave your dryer running when you go to bed. An average of over a dozen deaths and hundreds injured from dryer fires every year.**
- **Clean the entire duct system two or more times a year.**
- **Clean the lint filter after every load.**
- **Do not overload the dryer.**

JANUARY 2025 | @BOROUGH HALL |

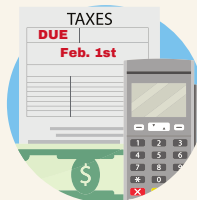

Since October, the final destruction of the Old Borough Hall has taken place. While it is with a sense of sympathy that we bid farewell to a building that served our community for many years, we understand that it had outlived its structural life and could no longer be feasibly renovated. The site of the former Borough Hall will be transformed into additional parking and greenspace, which will enhance the area in front of the new Borough Hall.

In addition, our Veterans Monuments have been relocated to the south side of the municipal complex, where they will be displayed in a more prominent and dignified setting, complete with pavers, larger gathering spaces, and upgraded audio components. We are excited to see the continued progress of the municipal complex and look forward to completing the next phase by the end of March, weather permitting.

## Tax Department

- **2025 First Quarter** installment is due FEBRUARY 1ST with a grace period date to February 7th, delinquent notices are mailed out through out after the end of grace period.
- Delinquent notices are mailed out through out after the end of grace period.

(ANCHOR) Program

### **Bergenfield Museum**

Happy New Year, Bergenfield! If you've never been to the Bergenfield Museum at Cooper's Pond (the yellow house next to the red mill), it's time to try something new. Stop by the Museum, and learn some interesting and fun facts about Bergenfield. See displays of vintage maps, clothing, tools, toys and Cooper chairs made right at the Mill over 150 years ago.

There are seven rooms to explore, it's close to home, and it's all FREE. THE MUSEUM IS OPEN TUESDAYS AND SATURDAYS, 1:30 TO 3:30. (NOTE MUSEUM WILL BE CLOSED DURING FEBRUARY)

For more information contact: [bergenfieldmuseumsocietynj@gmail.com](mailto:bergenfieldmuseumsocietynj@gmail.com).
