#20-199

An Agreement superseding the Cooperative Agreement dated July 1, 2000 and amendments thereto, for the purpose of inserting a description of activities for the **Forty-Sixth Year (July 1, 2021 - June 30, 2024)** Urban County Community Development Block Grant Entitlement Program, HOME Investment Partnership Act Program, Emergency Solutions Grant and clarifying the planning and implementation procedures for **Program Years 2021, 2022, and 2023**.

WHEREAS, in order to meet Federal requirements there must be a binding agreement in effect; and WHEREAS, the Uniform Shared Services and Consolidation Act N.J.S.A. 40A:65-1 et seq., requires a specific delineation of activities to be included in the Agreement; and

WHEREAS, the various new activities have been proposed to be carried out under the **Forty-Sixth Year** Community Development Program.

NOW, THEREFORE, it is mutually agreed that the Uniform Shared Services and Consolidation Act, N.J.S.A. 40A:65-1 et seq., contract dated July 1, 2000, between the Municipality of \_\_\_\_\_, hereinafter the "Municipality" and the County of Bergen be superseded by this "Three Year Cooperative Agreement", and the attachments hereto.

### A. Community Development Planning Process

#### 1. Nature and Extent of Planning Procedures

- a. Purpose - The purpose of this Agreement is to establish a legal mechanism through which the county government may apply for, receive, and disburse Federal funds available to eligible urban counties under the Community Development Block Grant Entitlement Program (CDBG), HOME Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG) and to take such actions in cooperation with the participating municipalities as may be necessary to participate in the benefits of these programs. Federal funds received by the County shall be for such functions as neighborhood facilities, housing construction and rehabilitation, public facilities, urban renewal, water and sewer facilities, open space, and other such purposes as are authorized by said Acts. Nothing contained in this Agreement shall deprive any municipality or other unit of local government of any powers of zoning or other lawful authority which it presently possesses, nor shall any participant be deprived of any

### **Three Year Cooperative Agreement**

State or Federal aid to which it might be entitled in its own right, except as provided in section A.1.c.(6), below. This Agreement covers the CDBG Entitlement Program, the HOME Investment Partnership Act Program and the Emergency Solutions Grant Program.

- b. Establishment of Committees - There are hereby established six regional Community Development committees, consisting of two representatives from each participating municipality, each to be appointed for a one year period, coinciding with the fiscal year (July 1 to June 30). The governing body and the chief executive of each participating municipality shall make one appointment each. Alternates may be appointed in the same manner as set forth above and shall have the same powers in the absence of the designated representatives.
- c. Responsibilities of the Regional Community Development Committees
  - (1) The Community Development Regional Committees shall elect a chairperson.
  - (2) The Committees shall meet as often as required. Each regional committee shall establish its own rules of procedures and shall make recommendations to the County Executive and Board of Chosen Freeholders through the Division of Community Development.
  - (3) The Committees shall study and discuss the community development needs of the County of the respective regions, and shall determine the most effective and acceptable utilization of Community Development Block Grant Funds available to the region. They shall recommend to the County Executive and Board of Chosen Freeholders an application for participation in Federal funding, including an allocation formula and towards that end they shall jointly, in the manner herein prescribed, be authorized to develop a Consolidated Plan for the County and such other documents and certifications of compliance as are required by the Federal Government for participation by the County in the Community Development Block Grant Program. Funds applied for shall be those available for "Urban Counties" under the Community Development Block Grant Entitlement Program.
  - (4) The Community Development Regional Committees shall develop, in full consultation with the Division of Community Development and all affected agencies of the local governments involved, priorities for the actual utilization of

### **Three Year Cooperative Agreement**

such funds as are made available from the Federal Government under this Title. The Committees shall recommend for each project or activity to be carried out with these funds a specific means of accomplishment. This may be for the County to carry out the project or function, for a municipality to receive the monies to carry it out, or for some other combination of local or State agencies. The implementation shall be established before submittal of the application to HUD, and any relevant documents that become part of this Agreement, and should be submitted to HUD with it. Such implementation mechanism shall be established by means of a separate contract between the County government and the municipality or agency implementing the designated project pursuant to the provisions of the Uniform Shared Services and Consolidation Act, N.J.S.A. 40A:65-1et seq.

- (5) Every municipality participating in the Committees may request participation in the expenditure of the Federal funds, comment on the overall needs of the County which may be served through these funds, or otherwise take part in the proceedings of the Community Development Committees through its Community Development representatives. No project may be undertaken or services provided in any municipality without the prior approval of the governing body of the municipality, which approval shall be established in accordance with the provisions of the Uniform Shared Services and Consolidation Act, N.J.S.A. 40A:65-1et seq., in addition to such other approvals as may be required by law.
- (6) By executing this agreement the municipality understands that it may not apply for grants under the Small Cities or State CDBG Programs from appropriations for fiscal years during the period in which it is participating in the urban county's CDBG program; and may not participate in the HOME consortium except through the urban county, regardless of whether the urban county receives a HOME formula allocation and may receive a formula allocation under the ESG program only through the urban county program.

d. Establishment of Countywide Committees

There is hereby established a Countywide Committee consisting of the Chairpeople of the six Regional Community Development Committees and five other at-large members appointed by the County Executive. The role of the Countywide Committee

### **Three Year Cooperative Agreement**

is to recommend an allocation formula to the Board of Freeholders and to also recommend funding for multi-regional and countywide projects. These recommendations shall be submitted to both the Board of Chosen Freeholders and the Regional Community Development Committees. The creation of the countywide committee in no way diminishes or changes the authority of the County or the Regional Community Development Committees. The Community Development Director and other appropriate County staff shall discuss all Countywide and multi-regional projects with the Countywide Committee both before specific funding levels are authorized by the County and at all important stages of implementation. The term for the Countywide Committee shall coincide with the fiscal year (July 1 to June 30). No member of the Countywide Committee shall be able to vote on any matter that affects any applicant on whose board they serve.

#### **2. Standards of Performance**

Every Uniform Shared Services and Consolidation Act, N.J.S.A. 40A:65-1et seq., established pursuant to this Agreement shall contain standards of performance as required by the Uniform Shared Services and Consolidation Act, N.J.S.A. 40A:65-1et seq., and by the Housing and Community Development Act of 1974 and the HOME Investment Partnership Act of 1990 Bi-annually, a report shall be prepared for the Regional and Countywide Committees and the municipalities by the Division of Community Development, which reports on all Community Development projects, their status and expenditures.

#### **3. Estimated Cost and Allocation**

The amount of Federal funds involved shall be the amount applied for by the Board of Chosen Freeholders pursuant to the recommendation of the Community Development Committees, subject to any modifications made by HUD. Any Federal funds received by letter of credit or otherwise shall be placed in a County Trust Fund established and maintained pursuant to regulations promulgated by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs. These funds shall be in a separate bank account subject to the control of the County government, which shall be the designated recipient for the funds provided by the Federal Act. Upon

### **Three Year Cooperative Agreement**

authorization by the County, and in compliance with State law and promulgated regulations funds may be expended from this Trust Fund by the County or by payment to the particular municipality pursuant to a specific contract. Neither the Community Development Committees, the County government, nor any participating local government may expend or commit funds except as may be authorized pursuant to this Agreement and in full compliance with State and Federal laws and regulations. No participant under this contract may in any way be obligated to expend funds of its own except as may be mutually agreed in a lawful manner.

#### **4. Duration of Contract**

This Agreement remains in effect until the CDBG Entitlement Program, the HOME Investment Partnership Program funds, Emergency Solutions Grant and program income received with respect to the Urban County qualification period **(2021, 2022, and 2023)** are expended and the funded activities completed. The County and participating municipalities may not terminate or withdraw from the Agreement while the agreement remains in effect.

- a) However, this contract may be terminated if the County fails to qualify as an Urban County, or if the County does not receive a grant in any year of the three year period. The contract may also be terminated by the U.S. Department of Housing and Urban Development. Be it further understood, that at the end of the current qualification period, this agreement will automatically be renewed for participation on successive three year periods, unless the County or participating municipality provides written notice it elects not to participate in a new qualification period. In this case, a copy of the notice must be sent to the HUD Field Office, by the date specified in the Urban County qualification notice. The County will notify each participating municipality in writing of its right to make such election by the date specified in HUD's urban county qualification notice for the next qualification period. Additionally, the County will notify all participating municipalities of any amendments as cited in the HUD Urban County Qualifications Notice for that period, or subsequent periods that must be included in the existing cooperation agreement. Any amendments will be submitted to HUD as provided in the qualification notice. Failure by the County or Municipalities to adopt an

### **Three Year Cooperative Agreement**

amendment and/or resubmit such amendments to HUD will void the automatic renewal of said cooperative agreement for the new qualification period.

#### **5. Designation of General Agent**

The Director of the Division of Community Development is hereby designated as the administrative agent of the County of Bergen for purposes of compliance with statutory and regulatory responsibilities. He/she shall be accountable to the County Executive. The County Executive, with the concurrence of the Board of Chosen Freeholders, shall designate a Director of the Division of Community Development. The director and his/her staff shall within the resources available, provide technical and administrative support to the CD Committees, and shall provide liaison between the committees and the Board of Chosen Freeholders.

#### **B. Qualifications as Urban County**

In addition to such assurances and agreements as may have been made by previously executed ordinances in order to meet the criteria for funding eligibility as an "Urban County", the municipality and the County agree to cooperate to undertake or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing. This Agreement shall be effective only when sufficient municipalities have signed the contract so that 200,000 population is represented, and when all other Federal eligibility criteria for designation as an "Urban County" under the Act have been satisfied. In the event that sufficient municipalities to meet these criteria should not sign this Agreement within the time period set forth by the United States department of Housing and Urban Development, the County Executive shall so notify all signators and the Agreement shall thereupon be null and void. In order to comply with Federal requirements, the County government, through the Board of Chosen Freeholders, shall be the applicant for Community Development funds. The County has the final responsibility for selecting Community Development Block Grant, HOME Investment Program, Emergency Solutions Grant activities and annually filing Consolidated Plan with HUD, in accordance with the procedures established under Section A.1.c(3) of this Agreement.

NJDEP Site Remediation Program PI #011416  
Proposal for Environmental Services  
Groundwater Sampling, Classification Exception Area &  
Groundwater Remedial Action Permit Terminations and Well Abandonment**

Dear Mr. Gallo:

**REMINGTON & VERNICK ENGINEERS (RVE)** is pleased to submit this proposal for environmental services at the above-referenced property (site). The site has a groundwater Classification Exception Area (CEA, established on July 16, 2001) and a Groundwater Remedial Action Permit (GW-RAP) that was issued by the New Jersey Department of Environmental Protection (NJDEP) on December 15, 2011. The CEA and the GW-RAP are institutional controls for the remaining, low-level volatile organic compound (VOC) groundwater impacts at the site. A Limited Restricted Response Action Outcome (which is a "Final Remediation Document", the equivalent of a No Further Action letter) was issued to Bergenfield Borough on September 10, 2012 by Manal Baba (Licensed Site Remediation Professional (LSRP) license #511017).

Regular sampling of the monitoring well (MW-3) at the site is required by the December 15, 2011 GW-RAP to demonstrate the protectiveness of the GW-RAP. The results of the groundwater sampling are presented to NJDEP within RAP biennial protectiveness certifications (bi-certs). RVE performed a groundwater monitoring and sampling event in December 2019, which reported the VOC compounds of concern (COC) concentrations below the respective, applicable NJDEP Groundwater Quality Standards (GWQS). As previously contracted, a bi-cert documenting the December 2019 groundwater monitoring and sampling event has been completed and submitted to the NJDEP.

As of December 13, 2019, the GW-RAP has expired and the site is currently out of compliance with the NJDEP Site Remediation Program. NJDEP requires the GW-RAP be reapplied for based on the projected attenuation of the COCs, which are already present below the GWQS, or they will require the formal termination of the GW-RAP. In order to avoid a reapplication of the permit (\$990.00 fee), followed by additional sampling events and bi-cert submissions in the

Borough of Bergenfield  
Bergenfield Municipal Complex  
NJDEP Site Remediation Program PI #011416  
Proposal for Environmental Services

subsequent years, we propose the formal termination of the GW-RAP with one (1) additional groundwater sampling event and submittal of a GW-RAP Termination Request.

According to NJDEP regulations, promulgated in N.J.A.C. 7:26C *Administrative Requirements for the Remediation of Contaminated Sites (ARRCS)* and pertaining to the termination of CEAs and GW-RAPs, one (1) additional groundwater monitoring and sampling event with analytical results reporting the COCs below the GWQS will allow the Borough to terminate the existing CEA, GW-RAP and associated GW-RAP fees.

With the previous groundwater sampling event reporting COCs below the GWQS considered, RVE proposes to complete an additional groundwater monitoring and sampling event for MW-3 and will apply for the termination of the existing CEA and GW-RAP if COCs are reported below the GWQS.

Following NJDEP approval of the CEA & GW-RAP Termination Request, MW-3 will be abandoned (sealed) by a licensed driller and the environmental investigation at the site will be closed. In addition, one (1) well has been identified at the site to have not been previously sealed and abandoned, which will be included into the abandonment procedures outlined in this proposal.

Costs associated with the scope of work outlined above include:

1. Project Coordination / NJDEP Correspondence	\$2,750.00
2. Groundwater Monitoring and Sampling (one event)	\$2,250.00
3. CEA Lift and Groundwater RAP Termination Request	\$7,000.00
4. Monitoring Well Abandonment Coordination & Oversight (1 field day)	<u>\$2,000.00</u>
<b>RVE Labor Total</b>	<b>\$14,000.00</b>
A. Analytical Laboratory Services for Groundwater – <i>Outside Services</i>	\$500.00
B. Drilling Contractor for Well Abandonment – <i>Outside Services</i>	<u>\$2,000.00</u>
<b>Outside Services Total</b>	<b>\$2,500.00</b>
<b>TOTAL NOT TO EXCEED FEE</b>	<b>\$16,500.00</b>

The cost summary provided above includes no NJDEP fees. A fee must accompany the Groundwater RAP Termination Request. This fee amount is recalculated annually and is currently \$550.00.

**Re: Borough of Bergenfield  
FY' 2019 NJDOT N. Prospect Roadway Rehabilitation  
Recommendation to Reject  
Our File # 0203T058**

Dear Mr. Gallo:

The bid opening for the above-captioned project was held on June 10, 2020.

Three (3) bids were received for this project and all were higher than the Engineer's Estimate, specifically for the sewer rehab work. Therefore, we recommend that all bids be formally rejected by resolution.

A copy of the bid tabulation and original bid documents are enclosed for your review.

It is our recommendation to remove the trenchless sewer rehab work from this project and advertise again. The recommendation to reject bids should be condition upon review and concurrence by the Borough Attorney's office.

Sincerely,
